

HRMD – Heather Ridge Golf Course Official Ballot

Heather Ridge Metropolitan District No. 1 (the "District"), and UAHR representatives are contemplating having the District purchase the Heather Ridge Golf Course to preserve for the entire community our open space, protect real estate values, and preserve our way of life. Purchasing the golf course involves the District issuing bonds and annually certifying a debt service mill levy on each unit in the District to pay back the bonds. The total District property tax will support the District's annual budget for administration, operations and bonded debt repayment.
