

UAHR Development/Light Rail Watch Committee

Saturday, October 31, 2009 – Tom Bentz – Chimney Hill

I-225 Corridor Light Rail Update

The Iliff Station is the highest priority due to the parking problems at 9 mile which has 1250 parking spaces that have been fully used since opening day.

We are carefully watching the progress on the new Iliff Station since it's opening will increase our property values.

Thursday, September 10, 2009 – Tom Bentz – Chimney Hill

All actions from this committee are on hold until such time as any rumors/plans of development of the clubhouse area or any of the surrounding area becomes a factor.
