

August 1, 2008 -- Court Order: Cordes & Company is receiver for Heather Ridge Country Club. The following was distributed by receiver Cordes and Company week of August 4th.

The receiver, Cordes & Company, has decided to open the course for play on Tuesday, August 5. There is much yet to be done and, obviously, there is still a bit of confusion. Things may continue on a day to day basis for the foreseeable future. The receiver still has much work to do to sort out the detail of assets and liabilities.

As of now, there will be no food or beverage service and do not expect much of a change in the pro shop. Ed Blanton will be running the pro shop for the receiver.

Our best support of the club, at this time, is to play golf, have fun, and create activity. Please let Bob Knutson, Ed Blanton, and the staff work to help the receiver. Any questions may be addressed to Dave Barela at golfbudda@gmail.com or Larry Ricketts at Rickettsljr@aol.com. We are trying to keep open communications and stop rumors that will continue to fly. We will continue to update you on things as they occur.

For those of you that have interest, you may view the qualifications and workings of the receiver at [Cordes & Company](#). Click the link and you will see the home page.
