

United Associations of Heather Ridge, Inc.

C/O: V Roith, 2497-D South Victor St, Aurora, CO 80014

White Bear Ankele PC

April 7, 2006

Attn: Joe Lico

Please cancel the May 2, 2006 Election to form the Heather Ridge Metropolitan District.

Per our conversations yesterday and today, we presented the following to our executive board:

As you know at the UAHR, Inc. executive meeting Tuesday evening, we suspected a problem with a discrepancy between the map of the proposed Heather Ridge Metropolitan District 1 and the detail legal descriptions. Specifically, property owners/residents of homes in Heather Ridge South (south of Yale) and Fairway 16 (West of golf course fairway 16), had not received an election mailing that was mailed Friday 3/31/2006.

Yesterday, Arapahoe County affirmed this discrepancy. The Service Plan approved by the City of Aurora had homes/communities appearing on the district map, but were excluded from the legal description(s) for the proposed Heather Ridge Metropolitan District 1.

Fairway 16 and Heather Ridge South are very important areas that have contributed much both financially and in volunteer time and effort.

We now need to vote whether to continue the election for May 2 or cancel it.

Joe Lico said if we cancel the May 2 election we may reschedule and be on the November 2006 ballot.

Please cast your vote regarding the May 2 election:

- A. Cancel the election
- B. Proceed with the election

As of 4:15pm today we have had 5 board members (a majority) respond to cancel the election. Joe, we look forward to working with White Bear Ankele toward our November 2006 election.

Errol Rowland, Chair

PS: We have polled 3 residents of Fairway 16 (included in the district). None of those 3 received the Election info mailed 3/31/2006. They were:

GE Oswald – 2528-F S Vaughn Way – 80014

Jim Bruce – 2528-A S Vaughn Way – 80014

Dean Glorso – 2520-D S Vaughn Way – 80014

Problems exist with the county or your database because these residents definitely should have received election notices.
